Dear Customer,

This catalogue is for people who take care about the things that improve life’s pleasure: self-care, attention to interior details, making efforts to be in fashion and showing interest in the trend of the actual world. Our products are for people who take care about their home, who live in it, who follow their tastes, desires, habits and reflect their identity.

Only the latest, most advanced technologies conforming to cleaner production standards as well as modern and ecologic equipment are used in our manufacturing process and implementation of modernization projects. Our furniture is made exclusively from natural and ecologically clean materials. The furniture is covered with natural veneer; high attention is paid towards quality, human health and comfort. Our company products are certified for conformity to safety and durability. All raw materials used in production process have quality certificates.

VITO makes your bedroom glow. VITO is a modern, solitary bedroom range. High-gloss sections create some attractive contrasts. The mixture of intricate details gives the individually combined units a trend-oriented and expressive character. VITO’s simple shapes combined with emotive accents provide an exclusive and sophisticated design using individual units.
For bedroom that is a true of inspiration, in which fashion trends are anticipation.
MILD is a clear and straightforward style of design which particularly highlights the expressive surfaces of ash veneer. Glass and leather components form interesting contrasts with the dark brown ash veneer. The spacious chests provide a modern design as well as a storage-oriented project in your bedroom.
